- If your child(ren) is separated from your home, your CalWORKs cash aid will be discontinued or reduced at that time.
- Continue to comply with CalWORKs eligibility requirements so you can receive five months of transitional CalFRESH (foodstamp) benefits.
- For continued monetary assistance, apply for CAAP-County Adult Assistance Program (formerly GA) when your CalWORKs aid is discontinued.
- You may also be eligible to continue to receive employment and supportive services through CalWORKs to enhance reunification efforts with your child(ren). If you continue to receive employment services in CalWORKs, CAAP will waive your employment participation requirement.

#### What you need to do about Cash Aid:

#### What you need to do about CalWORKs Supportive Services:

- **You may be eligible for CalWORKs/Family Reunification supportive services if the judge has ordered family reunification.** Supportive services include: Referrals for substance abuse, mental health or domestic violence issues; Welfare-to-Work/employment services; clothing allowance; housing related services, etc.
- After the initial Team Decision-making Meeting (TDM), your Protective Services Worker (PSW) and CalWORKs Worker will meet with you to create a coordinated CalWORKs/Family Reunification case plan. This case plan will include the requirements needed to fulfill your responsibilities to both the Juvenile Court and your CalWORKs Welfare-to-Work case plan; and will also reflect the provided supportive services.
- Your PSW or CalWORKs worker will work with you to identify the best time to meet for the Linkages case coordination meeting. You should be notified of the date, time and location within 30-60 days after the initial TDM.
