

# REI SESSION

APRIL 27, 2021

10 AM - 1 PM

## LEARNING FROM OUR PAST & PRESENT TO CREATE A MORE PROMISING FUTURE

20 YEARS OF REI WORK IN CALIFORNIA CHILD WELFARE AGENCIES

### WHO SHOULD ATTEND?

Child Welfare Directors  
CPM Implementation Teams  
CWS Leadership  
Others important to your REI work  
*3-5 people per county*

### LEARNING OBJECTIVES

- Learn about the steps that various CA counties have taken to address disproportionality and disparities in Child Welfare
- Understand key elements found to be successful in sustaining REI strategies
- Share your own experiences in addressing and thinking about ways to address REI

The session will allow participants to gain insights from past strategies utilized in California to address racial and ethnic disproportionality and disparities. In addition, counties will share information about current efforts to address Race, Equity & Inclusion to improve organizational functioning as well as practices with community partners and the children, youth, young adults and families that we serve.
