MAY 3, 2024 MEETING UPDATES

The Community Pathway Advisory Subcommittee held their inaugural meeting where they began setting up the committee, including reviewing the Prevention & Early Intervention (PEI) Recommendations for a Community Pathway. The Subcommittee has held interim meetings to provide feedback on the CQI measures and Child Welfare System - California Automated Response Engagement System (CWS-CARES) Provider Portal data fields.

WHAT'S NEXT?

The Community Pathway Advisory meets next on August 2, 2024 and will further dive into statewide implementation efforts. Some topics that the Community Pathway Advisory Subcommittee anticipates exploring includes:

- *Building a Community Pathway Framework*
- *Implementation of PEI Recommendations*
