JUNE 21, 2024 MEETING UPDATES

The FFPS Advisory has prioritized providing feedback on the Continuous Quality Improvement (CQI) measures for Reach and Capacity, along with model fidelity and outcome measures for all 10 of the well-supported evidence-based programs in the State Prevention Plan.

WHAT'S NEXT?

The FFPS Advisory meets next on September 20, 2024 and will further dive into statewide implementation efforts. Some topics that the FFPS Advisory Committee anticipates exploring includes:

- *Statewide Training Plans and Guidance*
- *Building a Community Pathway Framework*
