## OCTOBER 11, 2024 MEETING UPDATES

The Community Pathway Advisory Subcommittee has been working towards the development of a Community Pathway Framework. The Subcommittee spent time reviewing the changes posed by the FFPS Advisory Committee, and is beginning to look at ways to operationalize the framework that coincide with the Prevention and Early Intervention (PEI) Recommendations for a Community Pathway. The Subcommittee also reviewed the Continuous Quality Improvement (CQI) Summary Assessment Report and began conversations regarding ensuring the confidentiality of family data via the Community Pathway.

## WHAT'S NEXT?

The Community Pathway Advisory Subcommittee will be meeting monthly to address priority needs. The Subcommittee meets next on November 8, 2024 and will further operationalize the Community Pathway Framework. The Community Pathway Advisory Subcommittee anticipates exploring:

\*FFPS Practice Development\*

\*Creating Consistent Definitions for Community Pathways\*

\*De-Identifying Family Data via Community Pathways\*
