## SEPTEMBER 20, 2024 MEETING UPDATES

The FFPS Advisory Committee reviewed the Community Pathway Framework that includes the necessary steps, partners, and activities critical for establishing and sustaining Community Pathways. The Committee provided initial feedback on the framework and will revisit to finalize after review by subcommittees.

Additionally, the FFPS Advisory Committee reviewed the Continuous Quality Improvement (CQI) Summary Assessment Report developed from focus groups with the State and counties that will inform the development of the statewide CQI plan for FFPS. Learn more about the CQI Summary Assessment Report below.
