[TITLE IV-E ADVISORY SUBCOMMITTEE ROSTER](#)

MARCH 19, 2025 MEETING UPDATES

The Committee continued exploring the potential use of Lyssn for implementing Motivational Interviewing (MI) training and ensuring model fidelity. Counties are at various stages of interest in utilizing Lyssn. Discussions focused on data sharing concerns, fidelity tracking, and alignment with the California Five-Year Prevention Plan. CDSS and CWDA are further coordinating with partners to determine future interest in the use of Lyssn.

The Committee also reviewed the Community Pathway Framework Brief. The Committee also discussed continued development of the Family Well-Being Plan, highlighting opportunities to improve family engagement and align support planning with reporting requirements.

WHAT'S NEXT?

The FFPS Advisory Committee meets next on April 23, 2025, and will continue advancing statewide implementation efforts. Some topics that the Committee anticipates exploring include:

- Finalizing the CQI Plan and exploring cost-sharing for Lyssn
- Clarifying implementation of no-case pathways in CARES
- Further development of the Family Well-Being Plan
- Aligning CalAIM supports with FFPS services
