## APRIL 23, 2025 MEETING UPDATES

The Title IV-E Advisory Committee met to review key updates related to implementation guidance, and training tools. Members received updates on the finalized CQI Plan, results from the Lyssn Motivational Interviewing (MI) survey. The group also reviewed a proposed timeline for prioritizing future FFPS guidance, including fiscal claiming, data confidentiality, and integration of AB 2083 Interagency Leadership Teams within prevention work. The committee continued discussions on Family Well-Being Plans, focusing on clarifying expectations across different pathways and aligning documentation with federal requirements.

## WHAT'S NEXT?

The FFPS Advisory Committee meets next on May 28, 2025, and will continue advancing statewide implementation efforts. Some topics that the Committee anticipates exploring include:

- Cost-sharing strategies and next steps for Lyssn implementation
- Ongoing refinement of Family Well-Being Plan guidance
- Exploring connections between FFPS, CalAIM, and broader prevention efforts
