

CaAIM Lunch and Learn:

Navigating Medi-Cal: ECM, Waivers, and Community-Based Care

May 18, 2026 | 12:00 PM - 1:00 PM

Join us for an overview of California's Medi-Cal programs, including Enhanced Care Management (ECM) and Home and Community-Based Services (HCBS) waiver programs. The discussion will focus on populations such as older adults, individuals with complex medical and behavioral health needs, those experiencing homelessness, and individuals at risk of institutionalization. Participants will also learn how these programs coordinate care and connect members to community-based services. This training will be facilitated by Anwar Zoueihid and Martha Delgado-Leon.

This session will be agency oriented.

LEARNING OBJECTIVES:

- Understand Medi-Cal care programs
- Access referral pathways and resources

CaAIM lunch and learns are an ongoing series with different topics each month!

ABOUT THE TRAINERS:

Anwar Zoueihid, MS: Anwar Zoueihid is the VP and Chief Strategy Officer of Long-Term Services & Supports at Partners in Care Foundation, where he leads statewide initiatives integrating healthcare and community-based services. With over two decades of experience, he specializes in Medi-Cal transformation, including CaAIM, Enhanced Care Management, and waiver programs, advancing data-driven, person-centered care models across California.

Martha Delgado-Leon, BA: Martha Delgado-Leon is the Director of Strategic Initiatives with extensive experience in care management, Medi-Cal waiver programs, and community-based service integration. She has led efforts in hospital transitions of care and works closely with providers and systems to ensure seamless access to home and community-based services for high-need populations.
