

CalAIM Lunch and Learn:

H.R.1 and Medi-Cal

July 23, 2026 | 12:00 PM - 1:00 PM

Join us for an overview of H.R.1's changes to the Medicaid program and how, and when, they will impact the Medi-Cal program and CalAIM. H.R.1 is the federal budget legislation enacted in 2025 which includes sweeping changes to Medicaid eligibility, enrollment, and financing. Implementation of many of the major provisions is slated to begin in 2027. The training will be facilitated by Jennifer Kent and Caroline Davis.

This session will be agency oriented.

ABOUT THE TRAINERS:

LEARNING OBJECTIVES:

- Learn about the major Medicaid provisions in H.R.1
- Understand the implications of H.R.1 on CalAIM

CalAIM lunch and learns are an ongoing series with different topics each month!

Jennifer Kent, MPA: Jennifer Kent is currently the CEO of The Kent Group. Kent has more than twenty-four years of extensive health administration and policy experience in California that spans over three gubernatorial administrations and encompasses both private and public delivery systems. As Director for the California Department of Health Care Services, Kent led the second largest public healthcare system in the nation with an annual budget of over \$100B and serving approximately 13 million Californians. She oversaw the administration of twenty-four managed care plans as well as 56 county behavioral health plans. Kent has also held leadership roles in the Health & Human Services Agency and Governor's offices as well as experience in the private sector as a lobbyist, consultant, and association executive.

Caroline Davis: Caroline Davis is a recognized health policy expert with more than 20 years of experience in health care financing, policy development and implementation at the federal, state, and local levels, with an emphasis on Medicaid, Medicare, and programs for the uninsured. She has extensive experience with California's health programs for low-income populations, especially the state's Medicaid (Medi-Cal) program. She is currently the President of Davis Health Strategies, working with healthcare-related organizations focused on improving care for vulnerable and safety-net populations.
