

CALIFORNIA'S CHILD YOUTH & FAMILY ECOSYSTEM OF CARE COMMUNITY OF PRACTICE

Join System of Care, Integrated System of Supports, and other leaders of Whole Child/Whole Student efforts across California's child & family ecosystem for a monthly one-hour Community of Practice!

Connect, encourage and engage other whole child/system of care designers, implementers and champions

Co-create a focus to bring forward learning from the field, where local system partners are championing prevention, transformation and integration.

Gain exposure to the vast set of tools, resources and expertise that is available to support your efforts.

Whether you're responsible for a local system, helping implement system change - or just want to learn about how your AB 2083 System of Care approach can better support:

- Prevention
- Resources
- Partner Engagement
- High Fidelity Wrap
- Fee Schedule/CYBHI
- CFT and IP CANS fidelity
- CalAIM utilization

...this Community of Practice is for you!

Hosted by:

Mike Lombardo, Richard Knecht, Elizabeth Estes & Michelle Callejas

These meetings will take place the 1st Wednesday of every month at noon.

Upcoming dates:

September 2, October 7, November 4
