

Family First Prevention Services | CQI Training Series

Register for Modules 1 and 2 in CACWT

The first two modules of the five-module asynchronous, e-learning FFPS continuous quality improvement (CQI) training series are available for registration and completion.

Central California Training Academy

Module 1: Introduction to FFPS and the Role of Continuous Quality Improvement [elearning] - CCTA
Online | Aug 27, 2026
995 seats available

Info Register

Module 1:
[Introduction to FFPS and the Role of Continuous Quality Improvement \[elearning\]](#)

The Family First Prevention Services Act (FFPSA) legislation, how it is being implemented through California's Five-Year State Prevention Plan, federal CQI requirements, and the core components of a structured CQI system.

Central California Training Academy

Module 2: Introduction to the Evidence-Based Practice Measurement Framework [elearning] - CCTA
Online | Sep 8, 2026
999 seats available

Info Register

Module 2:
[Introduction to the Evidence-Based Practice Measurement Framework \[elearning\]](#)

The four domains of the Measurement Framework (Capacity, Reach, Fidelity, and Outcomes), collecting standardized and model-specific metrics, and the role the framework plays in the CQI process.

Modules 3, 4, and 5 will be released between October and December 2026. More information about these modules will be communicated once they are available for registration in CACWT.

Who It Is For

- **Required** for CQI leads and Comprehensive Prevention Plan (CPP) leads
- Community-Based Organizations (CBOs) and Evidence-Based Practice (EBP) contract managers should be invited to complete the training
- County Expert Consultants are encouraged to complete the training

How to Register

1. Create or sign in to your CACWT account at cacwt.dss.ca.gov/PublicWelcome.aspx
2. Search the Course Catalog for the modules by name.
3. Complete registration for Modules 1 and 2.
